WE SHOW NO FEAR

April Key Dates

Dear BIA Family, This season is flying by and our weekly cheer teams are fast approaching their last competition of the season in May!

The countdown to the Summit is ticking, and we have been so proud of these athletes as they have travelled around training athletes and fundraising for their trip. Less than four weeks to go until they travel to the Summit in Florida, to represent BIA against the best in the world!!

We had another presentation this month when the organisers of the New Year's Day Parade met some of our athletes and presented a cheque for £15,000 that has been given to King Georges Hospital.

All our classes are growing and we are super proud of the progress being made by our tumblers and our ninjas, as well as our cheer4fun athletes.

Once we come back from Easter holidays we will be working hard towards the last competition, and then preparing for tryouts for next season. We hope you have a restful break and enjoy the holidays!

Also from 17th April we have ON SALE our "END OF SEASON PARTY AND AWARDS NIGHTS" tickets. - Everyone including family and friends are invited, cost is £5 per ticket inc athletes. The venue is Mooros, Abridge, Chigwell, Friday 7th July 7pm to midnight.

Reminder as per below please join our social media platforms to see posts and pics weekly.
