WE SHOW NO FEAR

March Key Dates

Dear Parents/Carers, Feb was an amazing month for the Academy!

We had two major competitions for our cheer teams. The first was for our travel teams at the Copper Box in the Olympic Park. All five teams worked really hard to put out a great routine and they smashed it on the floor, securing 4th place for Blizzard IASF U16 Level 2 and Open Level 3 NT Blades in tough categories, 3rd for Titans our Youth Level 1, an amazing 2nd place for Diamonds our Junior 1s and a win and incredible Grand Champions award for Dauntless our IASF U18 Level 1. We were super proud of all teams performances and results and it was a brilliant day in the iconic Olympic Park.

Two weeks later came our second big regional of the season for our weekly teams at the East of England Showground in Peterborough. All of our weekly teams went from all three gyms, we had such good fun at the comp and especially hanging out at the BIA hub!

We are really proud of all our athletes' performances and it was lovely to see athletes meeting and making friends. The results were great with 2 teams placing 5th, 1 team placing 4th, 4 teams taking 3rd, 2 teams taking 2nd and 1st place wins for 8 teams!

We are also proud to announce that 5 of our teams won bids to Battle of the Champions, a massive super final in July, bid winners were Moonbeams, Youth 1, Thunder Junior 1, Eclipse Senior 1, Cyclones Senior 3 and Tempest Senior 4.2. And as ever we are so grateful for the support of our athletes' families and friends for their commitment!
